Program Overview

The Insurance Program provides **General Liability & Accident Coverage** for **Alberta Cheerleading Association** and **“Registered Members”** who have purchased coverage through ACF but only participating in **“Sanctioned Activities”**.

“Members” shall mean a group or person who has fully paid all dues and fees and is in good standing with all requirements of **Alberta Cheerleading Association**.

“Sanctioned Activities” shall mean all competitions, sports demonstrations including practice and training, social and fundraising activities authorized by **Alberta Cheerleading Association** and run by you or your members.

Sanctioning (Authorization) must be granted by Alberta Cheerleading Association by way of written procedure.

Commercial General Liability

Who is insured?

All members including **Executives, Managers, Coaches, Directors, Officers, Officials, Employees, Participants & Volunteers** while acting on behalf of the association and who have elected to purchase the coverage offered through **Alberta Cheerleading Association**.

This coverage will pay those sums that the insured becomes legally obligated to pay as compensatory damages because of bodily injury to or damage to property of others, such as spectators, passers-by, property owners and others resulting from your operations or actions. Coverage includes your legal liability for injury to participants. Most General Liability policies contain an exclusion, which excludes suits resulting from participants who are injured while participating in a sporting activity. The coverage provided, also includes Injury to Participants that result from your association or individual members negligence.

The Policy even includes at no additional cost, **Additional Insured's**, such as Municipalities, Government Departments, Sponsors and Owners of the Facilities in whose name you have agreed to provide insurance for their vicarious liability arising out of your operations.

Errors & Omissions (Wrongful Acts) Liability Coverage

This coverage protects the directors & officers, executives, employees and volunteers for consequences of their actions against suits alleging "wrongful acts". The coverage responds to "civil proceedings" (statement of claim) and does not cover Human Rights or other Tribunal (non-civil proceeding issues). This coverage extends all the way down to the club level.

Description of Liability Coverages

Participant Liability - Most General Liability policies include a Sports Participant Liability Exclusion, but in the broad form coverage with Game Day, this coverage is included. This coverage protects the insured from claims arising from "bodily injury" and "property damage" in the event that an injured athletic participant files a lawsuit. This coverage also includes "Participant to Participant" Liability (Player versus Player) which protects the participant in the event that one player is sued by another player resulting from an injury.

Voluntary Medical Payments - Reimburses others (*third party*) for their medical expenses if they are injured as a result of your activities up to \$10,000.

Blanket Tenants Legal Liability - Provides coverage for your legal responsibility for damage to premises that you rent in the course of your activities up to \$250,000.

Non-Owned Automobile Coverage - Indemnity to the Insured against the liability imposed by law upon the Insured for loss or damage arising from the use or operation of any automobile not owned in whole or in part by or licensed in the name of the Insured.

Personal Injury - Coverage against libel, slander.

Advertisers Liability - Will protect the insured in the course of advertising your goods, products or services.

Incidental Medical Malpractice - Protection for rendering first aid to an injured person by a non-medical professional in the course of your activities.

Cross Liability Clause - This clause allows for additional insured's to sue, if necessary within the policy.

Employers Liability - To protect the insured against the possibility of an employee suing for injury suffered in the course of their employment.

Premises, Property and Operations - This provides coverage for the insured that is responsible in the scope of their operations against Bodily Injury and Property Damage claims for damages resulting from your negligence associated with owning property and the day-to-day operations necessary to conduct business.

Products and Completed Operations - This is simply a broader form of liability coverage normally associated with manufacturers and business.

Blanket Contractual - This provides coverage for the insured when he/she signs a contract, which stipulates the legal responsibility of the insured.

Occurrence Basis Property Damage - Again, this is just a broader type of coverage. Occurrence happens over a period of time, whereas, an accident wording is sudden and accidental.

Sport Accident Coverage

Provides coverage for “out of pocket expenses” due to an insured member who has sustained an injury while participating in a “**Sanctioned Activity**”. This coverage is applicable in Canada and is secondary to any other government health insurance plan.

Who is Insured

One plan covers participants, managers, coaches, umpires and trainers who have elected to purchase coverage through **Alberta Cheerleading Association**.

What are we covered for?

The **Accident Policy** provides coverage for accidental bodily injury or death sustained by an Insured due to external violent, sudden, fortuitous causes beyond the Insured's control, occurring in **Canada** while this insurance is in force. The **Accident Policy** pays for medical bills on behalf of injured participants. This policy assures that your participants and volunteers will receive the type of medical treatment that they deserve. Also, the threat of a lawsuit is minimized as the injured participants medical bills are taken care of by the Accident Policy. This coverage is secondary to any other health care plan(s). Expenses eligible under any other health care plan(s) must be submitted to that plan(s). Your Sport Accident Policy will pay only the amount of expenses that are not eligible with any other insurer. Only claims up to the maximum benefits of the policy will be considered for payment. Explanation of benefits from other insurer, must accompany eligible expenses when submitting. You must have required and received medical /dental treatment commencing within **30 days** of the accident. Insurance provider must receive notice of your accident within **30 days** of the accident date and claim documentation within **90 days** from the date of accident.

The **Accident Policy** provides benefits as per the **Benefit Schedule**, while an insured member is;

- a) participating as a player member, manager or coach of the Named Insured in practice or competition which is organized under the supervision and direction of the Named Insured; or
- b) being transported with other player members of the Named Insured as a group to or from the place of such practice or game; all under the supervision and direction of the Named Insured.
